Bill Hosner, Master Pastelist

May 22: Student Exhibition at Three Pines Studio & Gallery

Fees: \$600 Tuition, \$50 Models

The Portrait en Plein Air Workshop and Student Exhibition is a unique opportunity for intermediate to advanced artists to experience all that goes into preparing for and participating in an exhibition. Students benefit from the mentoring of Bill Hosner, an internationally recognized Master Pastelist, and have the opportunity to exhibit their work at the conclusion of the workshop.

During the workshop, students can expect to work on portraits outdoors exploring how the light reveals itself affording opportunities to use color in ways not experienced in the studio. Throughout the workshop, Bill will provide individual critiques and guidance for improvement. At the conclusion of each day, the group will meet for discussions about art, music, culture, and anything relevant to an artist's way of life. Knowing inspiration is everywhere, discussions will be open and free-flowing. Following the 3-day workshop, each student will choose 1 portrait done during the workshop to frame for the gala opening.

The Portrait en Plein Air will be based at **Birchwood Inn, Harbor Springs, MI (BirchwoodInn.com)**. Travel arrangements including lodging should be made independent of the workshop. Birchwood Inn offers a 10% discount to workshop students. Given the immersion into the life of an artist, it is strongly recommended students stay at Birchwood Inn.

The Student Exhibit and Gala Opening will be hosted at **Three Pines Studio & Gallery, Cross Village, MI (ThreePinesStudio.com)**. Three Pines Studio will take a 30% commission on any art sold during the exhibition. Students should bring a frame, glass, and matting for their artwork as these items will not be provided.
